All the Heads of Departments and the Indenting Officers.

Sir,

Re:—Source of manufacture and supply of National Flags of India.

No. S.P.C. 46061-211. A copy of letter No. 41-6-51—Public, dated 28th November 1951, from the Under Secretary to the Government of India, Ministry of Home Affairs, New Delhi, to the State Governments, regarding source of manufacture and supply of National Flags of India, is published for information.

You are requested to place advance orders in future on the Director-General, Ordnance Factories, 6, Esplanade East, Calcutta, in respect of your requirements of National Flags.

Yours faithfully,
N. LAKSHMAN RAU,
Secy., S.P.C.

Copy of letter No. 41-6-51—Public, dated 28th November 1951, from the Under Secretary to the Government of India, Ministry of Home Affairs, New Delhi, to the State Governments.

Subject.—National Flag of India—Source of Manufacture and supply of.

I am directed to invite a reference to this Ministry's circular letter No 87-47—Public (b), dated the 29th July 1947, in which it was *inter alia* stated that the Government of India propose, for the future, to arrange to keep in stock National Flags of different sizes at a Central Store on which indents could be made.

2. The National Flag has now been standardised in five sizes, *viz.*, 21′×14′, 12′×8′, 6′×4′ 3′×2′, and 9″×6″; the smallest being intended for use on motor cars. It has been decided that the manufacture and supply of National Flags of different materials, *e.g.* Khadi, Silk, etc., will be arranged by the Superintendent, Ordnance Clothing Factory, Shahajanpur. As the Khadi and Silk materials used in the manufacture of flags are difficult to secure and are not normally stocked in the clothing factory, the State Governments are requested to place advance orders up to one year on the Director-General, Ordnance Factories, 6, Esplanade East, Calcutta, in respect of their firm requirements. Standard Flags of Woollen bunting of the various sizes mentioned above are, however, at present stocked by the Ordnance Depots and may be obtained therefrom.
